It's easy to do more for your business with iPays.

Accepting payments is only the beginning. We've got you covered, from simple credit card readers to full POS systems to value-added services that can help you grow your business.

The iPay's Advantage

The no-hassle, "set it and forget it" way to save significantly on your monthly processing.

- No long-term contracts
- Quick and easy to set up

Merchant Cash Advance

Get the cash you need to expand your business without taking out a bank loan.

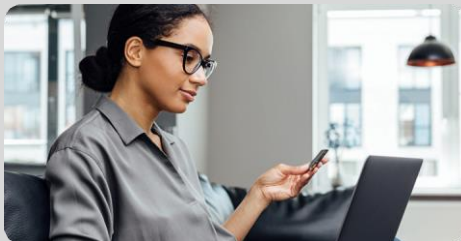

- A small percentage of your credit card receivables is deducted until the approved payback amount is repaid
- No application fees, no closing costs and approval in 24-48 hours

Gift Cards

Drive customer loyalty while improving your sales.

- Boost your brand's visibility
- Options for physical, email & text gift cards

E-commerce

Secure online selling made easy.

- Virtual terminals
- Shopping cart integrations
- ACH electronic checking solutions

Learn more about mobile readers, recurring billing, card on file, invoicing, B2B processing solutions or other ways we can help your business save time & money.
