NEW – TSYS Stage Only VAR Request

Effective 11/16/23

Paysafe:

Old Process

Previously you would select…

→ Gateway

→ Brand = Other

→ Payment Gateway = See Notes

→ Then add notes for how many VAR Sheets are needed

NEW Process – Terminal or Software

Terminal:

→ Select Reprogram Check Box

→ Select Stage Only VAR check box

→ select Brand and Model of Equipment that Merchant will be using.

Terminal 1

Equipment Options *Equipment requests will create a deployment order unless Reprogram is selected. For Clover deployment orders, include software plan and added peripherals in Notes. Clover DPTA and Reprovision forms still required.

☑ Reprogram   ☑ Stage Only VAR

☐ Equipment Placement Program (EPP)
